

The Ostrander Scholar Society's Josh Sain Memorial Scholarship

This scholarship is given in memory of Josh Sain, the 1997 National Order of the Arrow Vice Chief. He was an Eagle Scout, Vigil Honor Member, Founders Award Recipient and was honored by his lodge with the James E. West Fellowship. Prior to Josh's election to National Vice Chief, he served Wa-Hi-Nasa Lodge as Lodge Vice Chief, Lodge Chief, and was Section Chief of Southern Region 6A. Josh gave much of his life to Scouting and the Order of the Arrow. Without question, Josh Sain's endless hours of service represent the epitome of the OA: Brotherhood, Cheerfulness and Service.

Therefore, the person(s) receiving this scholarship should reflect comparable principles, ideals and values. This scholarship was created for Arrowmen who have given outstanding service to Scouting/OA. Be it known that good character shall encompass the entire individual—the moral, mental and spiritual aspects of a person.

Furthermore, a true belief in God, good morals and practices will be solely confirmed by the way you live. This is being stated to advise you that this scholarship is intended to honor those who have chosen to live a life of cheerful service. "God loveth a cheerful giver"—New Testament, II Corinthians, IX, 7.

Most of the critique will be based upon how you have given back to others. Please fill out the application completely and list your major goals. The candidate(s) we seek will not only have ample academia training to carry out their goals, but will also have ambition and drive to achieve their goals. At least 50% of recipients must be youth. Any recipient(s) that are between the ages of 21-28 must demonstrate OA involvement since their youth hood.

The Ostrander Scholar Society's Board of Directors will ascertain the monetary amount that shall be given.

The Josh Sain Memorial Scholarship was contrived with the thought in mind, that it ought to be a valiant yet worthy honor to procure, rather than just for its monetary value.
